INVESTIGATIVE FILE MEMORANDUM	DATE: 2 April 1962
NAME: JOANNIDES, George E.	FILE NO.: 41,655

Subject recently returned from an overseas assignment and the security file has been reviewed. It was recommended to the Chief, Interrogation Research Branch that the routine repolygraph interview usually scheduled after an individual returns from an overseas tour of duty be [X] waived [ ] deferred.

The Interrogation Research Branch file will be reviewed and a final determination made whether or not a repolygraph will be necessary.
